Dear Brothers and Sisters in Christ:

Have you ever wondered why district exists? Do you feel as though you live to serve the district? Well, we have pondered these questions as well and are not satisfied with the answers. Therefore, we are asking you to come help shape the future of our district. Our District Superintendent, Rev. Tamara Williams, has offered us all just such an opportunity. There are four dates and times during March which have been set aside across the Albion District to discuss the following questions:

- Who is the district supposed to serve?
- What is the purpose of the District?
- What do you need from the District?
- What is your hope for the District?

It is my hope that every church that speckles the landscape of this great district will have their voice heard during one of these 1 ½ hour events. Therefore, I would love to see at least every pastor and lay leader attend one of these meetings. And be sure to invite any of the other church leaders you would like to attend as well. The District Restructuring Taskforce has selected different days, times and areas of the district so the majority of persons might be accommodated. If you are absolutely unable to attend one of these meetings, please go to the district website, www.albiondistrict.org, for an opportunity to provide your input. I would also encourage any member of the district churches to submit their opinions as well.

The meetings are scheduled as follows:

- March 10th, 7:00 pm at Brookside UMC in Jackson
- March 15th, 10:00 am at Washington Heights in Battle Creek
- March 20th, 10:00 am at West Mendon UMC
- March 21st, 4:30 pm at Quincy UMC

May God bless all of us as we seek to do the Lord's work throughout the Albion District!

In Christ's Service,

DeAnn Dobbs
