What is a Lay Speaker?

Lay Speakers are individuals who serve and lead in our church and community. Individuals who reach out to others in times of need, lead church school classes, chair committees, volunteer time to help with and organize outreach efforts for our church and our community, and/or speak up about their faith.

There are two categories of lay speakers:

- **Local Church Lay Speaker**- serve their local church and community.
- **Certified Lay Speaker** - serve their local church but also their district and conference.

Candidates for local lay speaker must apply in writing to their local church and complete the Lay Speaking Ministry Basic Course. They may continue their training and become Certified Lay Speaker through recommendation from their pastor, pastor-parish relations committee and annual church conference; complete the basic course and one advanced training course; and appear before the District Committee on Lay Speaking Ministry.

Certified lay speakers must submit an annual report, a reapplication, be recommended annually by the pastor and the pastor-parish relations committee; approved by the church conference and complete at least one additional advanced course every three years to be eligible for continued certification.
